**Resolution 7: Authority to Issue Shares**

The proposed Resolution 7, if passed, will give a renewed mandate to the Directors of the Company, from the date of above AGM, authority to issue and allot shares in the Company up to and not exceeding in total ten (10) per centum of the issued share capital of the Company for the time being, for such purposes as the Directors would consider in the best interest of the Company. This authority, unless revoked or varied by the Company at a general meeting, will expire at the conclusion of the next AGM of the Company.

As at the date of this Notice, no new shares in the Company were issued pursuant to the mandate granted to the Directors of the Company at the 21st AGM held on 21 January 2022. The renewal of the general mandate is to provide flexibility to the Company to issue new shares without the need to convene separate general meeting to obtain its shareholders' approval so as to avoid incurring additional cost and time.

At this juncture, there is no decision to issue new shares. If there should be a decision to issue new shares after the general mandate is obtained, the Company would make an announcement in respect of the purpose and utilization of the proceeds arising from such issue.
